**DECOR HOLDING  
GROUP CO., LTD**

## ABOUT US

Decor Holding Group Co., Ltd was established in 2008, headquartered in Zhejiang province with over 300 employees. It has been focusing on manufacturing wood doors, engineered flooring, veneer, plywood, etc. It aims to provide people echo interior decoration materials, and concerns more about environment protection and sustainable development.

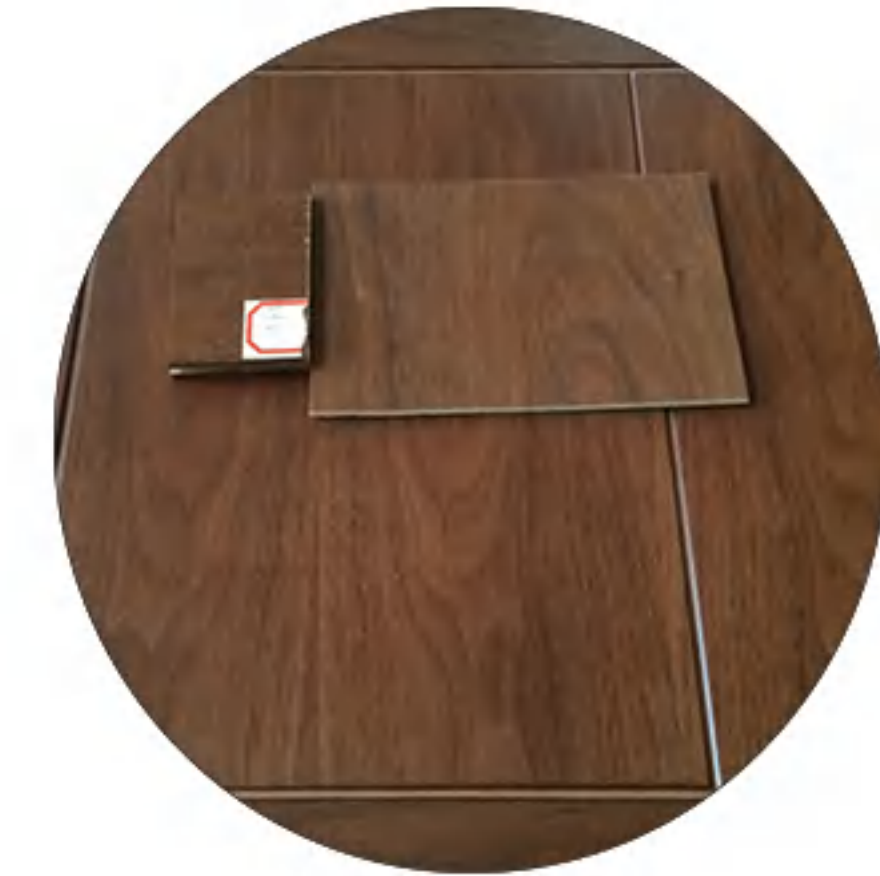

With its selected materials and fine workmanship, Decor's doors are widely used on hospitality and become one of reliable suppliers for Hampton, Marriott, Sheraton, Westin, Hilton, Holiday Inn, IBIS, Pullman, etc. It's also supplying a lot of interior doors for residential and commercial buildings, and earn us good reputation in this territory.

Besides that, Decor is also manufacturing multi-layer engineered wood flooring. Main species are oak, European oak, walnut, Teak, Acacia, Birch, Hickory, etc. Decor's engineered flooring is largely being exported to USA, Europe, and South east Asia.

We can promise our customers competitive prices, high quality, excellent before and after-sales service, and we always did it. Decor strives to be customers' indispensable partner for creating more elegant rooms and bring better ecological environments together with your efforts.

Reasonable structure and selected materials earn good Reputation for us

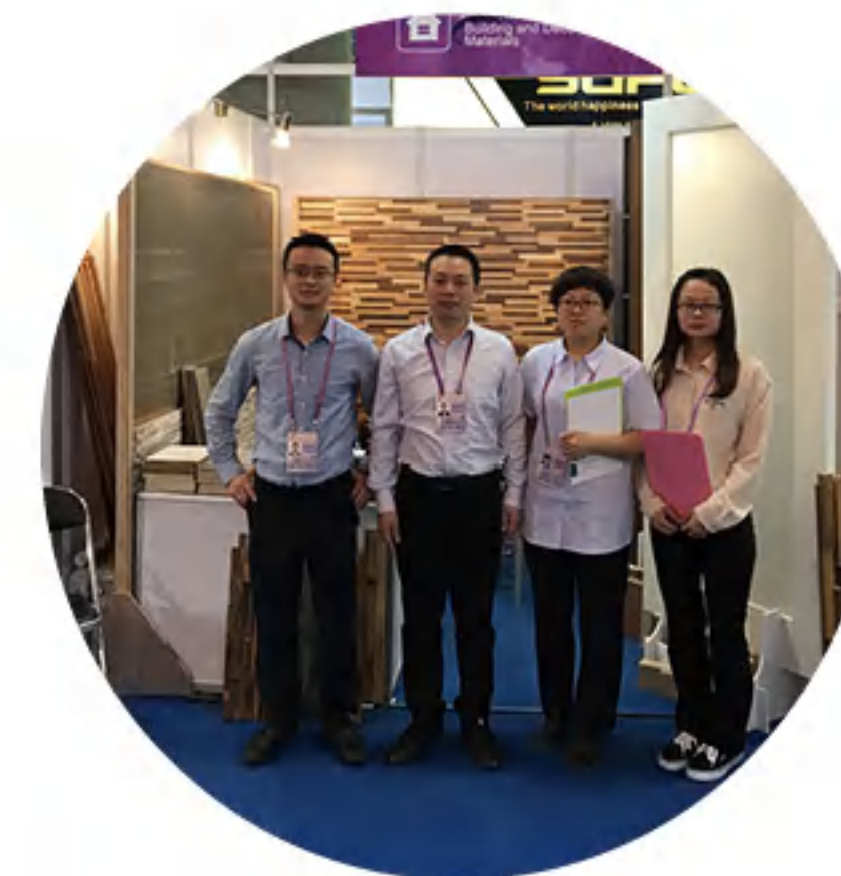

We care about every detail
